DOLCE

SKIN CARE, LLC

Skin Looking Sluggish and Dull?

DON'T LET THE SEASON OUT SHINE YOU!!

Try Digital Microneedling...

Microneedling (CIT) Skin needling or collagen induction therapy is a unique process which stimulates the body's natural production of collagen and elastin.

Digital Microneedling can:

- Minimize pore size
- Improve elasticity
- Lessen pigmentation
- Decrease stretch marks
- Improve crow's feet and facial wrinkles
- Diminish appearance of scars/acne scars
- Create a radiant skin tone and smoother complexion

\$\$\$ per treatment,
savings on treatment
plans.

Introductory pricing NOW being offered

Call Dolce Skin Care today at **928 499-2338** for more details

** Photo is after 2 – treatments, 22 days after second. Two or more recommended for best results.*

*All services performed by a **licensed** Paramedical Aesthetician with decades of experience.*
